To obtain a hearing, a written Request for Review must be transmitted to the following address:

A Request for Review either shall clearly identify the Civil Wage and Penalty Assessment from which review is sought, including the date of the assessment, or it shall include a copy of the assessment as an attachment, and shall also set forth the basis upon which the assessment is being contested. In accordance with Labor Code section 1742, the contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the Labor Commissioner's receipt of the written Request for Review.

Failure by a contractor or subcontractor to submit a timely Request for Review will result in a final order which shall be binding on the contractor and subcontractor, and which shall also be binding, with respect to the amount due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond.
